POST TENDER ADDENDUM 5

March 22 , 2019

**Post Tender Addendum 5
Tender for General Contracting Services
Building #046 Renovations for College of Social and Applied Human Sciences
Project No. 504034 Post**

Part 1 – GENERAL

PT-5.1 The following is provided to bidders as additional information and/or clarification and/or in response to questions.

PT-5.2 *This Addendum shall form an integral part of the Contract Documents and amends the original Specifications and Drawings and shall be read in conjunction with the Tender as issued by the University of Guelph on November 15, 2018, dated November 2, 2018. This Addendum shall take precedence over all requirements to the aforementioned Tender with which it may prove to be at variance.*

PT-5.3 Receipt of this Addendum shall be acknowledged on form Appendix C as a part of your submission. Failure to do so may subject the Proponent to disqualification.

PT-5.4 Ensure that all affected parties are aware of the items noted and include any and all cost impacts in the Tender submission.

PT-5.5 This Addendum contains:

- .1 Part 1 – GENERAL
- .2 Part 2 – CLARIFICATIONS
Questions/Answers
Specifications
Drawings

Part 2 – CLARIFICATIONS

PT-5.6 For clarification, Post Tender Addendum 3 was posted on March 13, 2019 and was an administrative addendum that revised the project number from '504034' to '504034 Post'. There are no documents to download for Post Tender Addendum 3.

QUESTIONS / ANSWERS

PT-5.7 Q1: There are currently card readers in 08 71 00, and also specified in 28 15 11.11. (also card readers are different models in the 2 sections)

A1: Supply and installation of access control card readers is to be under Division 08. See below for revisions to specifications.

PT-5.8 Q2: There are currently universal washrooms with Camden UWR kits in 08 71 00 and Camden kits are also specified in 28 14 13.2.

A2: Supply and installation of universal washroom controllers is to be under Division 08. See below for revisions to specifications.

PT-5.9 Q3: There are power supplies listed in sections 28 05 07.11-1 (24V, 10A), 28 05 07.11-2 (12V, 10A) and 28 07 07.11-3.

A3: Power supplies covered in Division 28 are to power the access control equipment only and all power supplies for electrified finish hardware are to be supplied and installed as per Division 08.
