6. Omissions, Discrepancies and Clarifications

Bidders shall seek clarification of any matter that they consider unclear before submitting a Bid. The Region is not responsible for any misunderstanding of this RFT on the part of the Bidder.

If a Bidder finds discrepancies or omissions in the Bid Documents, or if a Bidder is in doubt as to their meaning, the Bidder shall notify the Region's Purchasing Analyst. The Region shall make reasonable efforts to provide Bidders with written responses to questions that are submitted during the bidding process, subject to the provisions of this paragraph. Any additional information and/or changes to the Bid Documents will be issued in the form of an addendum. All addenda will be posted to the Bidding Website.

The Region will notify Bidders of the issuance of addenda via e-mail; however, it is the Bidder's responsibility to ensure that it has downloaded all addenda prior to submitting its Bid. **The Region will not be liable for any misdirected notices of addenda resulting from a Bidders failure to update its contact information in the Bidding Website and/or Bidders failing to check for addenda prior to submitting their Bid.**

Bidders shall acknowledge receipt of all addenda prior to submitting their Bid. Bids that do not contain evidence of receipt of all addenda will be deemed to be "incomplete" and will not be accepted in the Bidding Website.

In the event that an addendum is issued after a Bidder has submitted its Bid, the Bidding Website will change the status of the Bid to "incomplete" and the Bidder will be required to acknowledge the addendum and resubmit its Bid prior to the bid closing date and time.

8. Ability and Experience

The Region reserves the right to not award the Contract to any Bidder who does not furnish evidence, satisfactory to the Region, that it has experience in performing the type of work proposed and that it has sufficient capital and equipment to enable it to successfully complete the Work within the Contract Time.

Bidders must be prepared to present evidence of their experience, ability, service facilities and financial standing necessary to satisfactorily meet the requirements set forth or implied in this RFT if requested by the Region.

9. Irrevocability Period

All prices submitted in the Bid shall be valid and irrevocable for a period of 90 Days after the bid closing date.

The bid deposit shall be in the form of a digital Bid Bond from a recognized guarantee or surety company acceptable to the Region, and authorized by law to do business in the Province of Ontario. The form of Bid Bond acceptable to the Region is attached as Schedule A. **Failure to meet the Region's bid deposit requirements shall result in rejection of your bid.**

All bid deposits, except those of the Bidders submitting the two lowest compliant Bids, will be returned a maximum of 5 Working Days following the bid closing date. The bid deposits of the

Bidders submitting the two lowest compliant Bids will be returned a maximum of 10 Working Days after the execution of the Contract by the Region.

If a Bidder has not been notified that its Bid has been accepted prior to the expiration of the irrevocability period, its bid deposit will be returned on demand. The demand by a Bidder for the return of its bid deposit, or the return of a bid deposit by the Region to a Bidder whose Bid has not been accepted, shall constitute the withdrawal or expiry of the validity of the Bid.

11. Bonds

Bidders shall submit a digital Undertaking to Bond with their Bid. The form of Undertaking to Bond acceptable to the Region is attached as Schedule B. The Undertaking to Bond shall be from an insurance or surety company licensed under the *Insurance Act*, RSO 1990, c. I.8, as amended, acceptable to the Region.

The Contractor will be required to provide:

- (a) a Performance Bond for the due completion of the Work in accordance with the terms and conditions of the Contract, in an amount equal to 100% of the Estimated Contract Price and in a form acceptable to the Region; and
- (b) a Labour and Material Payment Bond in an amount equal to 50% of the Estimated Contract Price and in a form acceptable to the Region.

The forms of Performance Bond and Labour and Material Payment Bond acceptable to the Region are attached as Attachments 1 and 2 respectively to the Undertaking to Bond included in the Bid Documents.

The bonds shall be issued by the same insurance or surety company that issued the Undertaking to Bond or an alternate insurance or surety company that meets the criteria set out above.

Failure to meet the Region's bonding requirements shall result in the rejection of your Bid.

12. Examination of the Site and Designated Substances Notice

A geotechnical investigation has been carried out by Cambium Inc. and a copy of the report dated April 17, 2017 is included in the Bid Documents, but will not form part of the Contract Documents.

A Site hazard assessment has been conducted and all known designated substances under the *Occupational Health and Safety Act*, RSO 1990, c O.1 are listed in the Pre-Bid Hazard Assessment Form attached as Schedule C.

The geotechnical report and Pre-Bid Hazard Assessment Form are provided for information purposes only and the Region assumes no responsibility for their correctness or completeness.

Prior to submitting a Bid, Bidders shall thoroughly acquaint themselves with the Bid Documents and carefully examine the Site where the Work will be performed, to fully inform themselves of the existing conditions and limitations. Access to the Site may be provided during the bidding period when requested.

Bidders shall not claim, after the submission of their Bid, that there was any misunderstanding of the terms and conditions of the Contract relating to Site conditions.

13. Errors & Omissions

The Region shall not be held liable for any errors or omissions in any part of this RFT. While the Region has used reasonable efforts to ensure an accurate representation of information in this RFT, the information contained in this RFT is supplied solely as a guideline for Bidders. The Region does not guarantee or warrant that the information is accurate, comprehensive or exhaustive. Nothing in this RFT is intended to relieve Bidders from forming their own opinions and conclusions with respect to the matters addressed in this RFT. Information provided in this RFT is relied upon or acted upon by Bidders solely and exclusively at their own risk.

14. Bid Submission Process

Bidders must submit their Bids electronically through the Bidding Website. Any Bids which are not received electronically through the Bidding Website will not be accepted by the Region and will be returned to the Bidder unopened.

In the event that a Bidder wishes to revise its Bid after it has been submitted, the Bidder must withdraw its Bid, make the necessary changes, and resubmit its Bid before the bid closing date and time.

The Region accepts no responsibility for any reason whatsoever, including computer system failures of either the Bidder or the Region's service provider, if the Bidder is unable to submit its Bid before the closing date and time, and the Bidder agrees that the Region shall have no liability for delays caused by internet/network traffic, degraded operation or failure of any computer system element, including, but not limited to: any computer system, power supply, telephone or data connection or system or software or browser of any type whatsoever.

It is the sole responsibility of the Bidder to ensure that it can access and exchange data with the Region's service provider's computer systems electronically and that it allows sufficient time to successfully access and share data with the Region's service provider's computer systems, having regard to the possibility of delays caused by internet/network traffic. Bidders are solely responsible for ensuring that they plan their access to the Region's service provider's computer/servers, so that the Bidders can reach the Region's service provider's computers/servers, and submit their Bids, before the bid closing date and time.

15. Bid Closing Date and Time

All Bids must be submitted electronically through the Bidding Website, and received by the Region not later than 1:00:00 p.m., Eastern Time, on:

September 04, 2019

This date is subject to change via addendum. The closing date and time shall be determined by the Bidding Website clock.

The receipt of Bids can be delayed due to factors such as “internet traffic”, file transfer size, transmission speed, etc. The Region therefore recommends that Bidders allow sufficient time to upload their Bid submission, including any attachments.

A Bid will only be considered to have been submitted once it has been received by the Region in its Bidding Website, regardless of when the Bid was submitted by the Bidder.

Bidders will receive a confirmation e-mail from the Bidding Website once they have successfully submitted their Bid. Bidders should not consider their Bid to have been submitted until they have received the confirmation e-mail.

16. Purchasing Bylaw

Bids will be called, received, evaluated, accepted and processed in accordance with the Region’s [Purchasing Bylaw](#) (the “**Bylaw**”). By submitting a Bid, the Bidder agrees to be bound by the terms and conditions of the Bylaw.

17. Unresolved Litigation

Bidders are advised that, unless otherwise permitted by the Bylaw, the Region will not accept a Bid from, or award a contract to, a Bidder with whom the Region is engaged in Unresolved Litigation and/or any other Bidder that the Region deems, in its sole discretion, is related to a party with whom the Region is engaged in Unresolved Litigation.

18. Acceptance or Rejection of Bids

The Region reserves the right to reject any or all Bids, in whole or in part, including without limitation the lowest Bid, and/or to waive any technical defects, irregularities and omissions if, in so doing, the best interests of the Region will be served.

The Region also reserves the right, in its sole discretion, to reject or retain for its consideration Bids which are non-conforming because they do not contain the content or form required by this RFT or fail to comply with the submission process set out in this RFT.

In the event that the Region, in its sole discretion, deems a Bid or any component of it (i.e. the Estimated Contract Price or the price(s) for any item(s), part(s), section(s) or division(s)) to be unbalanced, the Bid may be deemed to be non-compliant and rejected. For the purpose of this provision, “unbalanced” means the price submitted, whether it be the Estimated Contract Price or a price for an item, part, section or division, does not reflect reasonable, anticipated costs for the required labour, equipment and materials, plus a reasonable proportionate share of the Bidder’s anticipated overhead and profit, or the Bid creates a reasonable doubt that its acceptance will result in the lowest actual cost to the Region.

19. Informal Bids

Bids that have not been submitted electronically through the Bidding Website, or are late, incomplete, have no Undertaking to Bond where required, do not contain the required bid deposit in a form acceptable to the Region, are restricted or altered in a way that is not acceptable to the Region, do not provide evidence of receipt of all addenda, depart in some

material way from the Drawings and Specifications contained in the Bid Documents, or otherwise fail to conform to the requirements of the Bid Documents, will be deemed to be informal and will be rejected by the Region.

The Region may, in its sole discretion, reject or retain for its consideration Bids which are non-conforming.

20. Conflicts of Interest

Bidders shall declare, in their Bid, all conflicts of interest, or any circumstance that may be reasonably perceived as a conflict of interest, which exists now, or may exist in the future. Failure to comply with this requirement will render the Bid non-compliant and will cause the Bid to be rejected.

The Region may, in its sole discretion, waive any and all actual, potential, or perceived conflicts of interest, on such terms and conditions as the Region, in its sole discretion, considers to be required to satisfy itself that any actual, potential or perceived conflict of interest has been appropriately managed, mitigated and minimized. In this regard the Region may require the Bidder to implement measures or take other steps to manage or mitigate the impact of any actual, potential or perceived conflict of interest.

The Region also reserves the right to disqualify from further consideration Bids which, in the Region's opinion, demonstrate a conflict of interest.

21. Unofficial Tender Results

Unofficial tender results will be available after 3:00 p.m. on the bid closing date on the Bidding Website. All Bids received are unofficial until they have been reviewed by the Region for compliance; therefore, the lowest Bid listed on the Bidding Website may not be the lowest compliant Bid for the purpose of awarding the Contract.

22. Blackout Period

Bidders shall not initiate communication with any Regional official, consultant or employee with respect to this RFT from the bid closing date up to, and including, the date that the Contract has been awarded (the "**Blackout Period**") or the RFT has been cancelled. Communication between Bidders and the Region during the Blackout Period may only be undertaken through the Region's Purchasing Analyst. Any communication initiated by a Bidder during the Black Out Period to any Regional official, consultant or employee other than the Region's Purchasing Analyst may be grounds for disqualifying the offending Bidder from consideration for the award of this and/or any future Regional procurements.

23. Lobbying Prohibited

Bidders, including their Subcontractors, consultants, agents, officials and employees shall not engage in any form of political or other lobbying whatsoever with respect to this RFT or seek to influence the outcome of the RFT process. This anti-lobbying clause applies to communications with all members of Regional Council, members of local municipal councils within the Region, and their respective staff members or their appointees. If any Bidder or related party is found to

be engaging in lobbying, the Region will reject the Bidder's Bid without further consideration and terminate that Bidder's right to continue in the RFT process. All correspondence or contact by Bidders with the Region with respect to this RFT must be directly, and only, with the Region's Purchasing Analyst.

The anti-lobbying clause applies from the release date of this RFT until the date and time when the Contract has been awarded or this RFT has been cancelled.

The anti-lobbying clause shall not be construed as prohibiting any activity which is duly authorized as part of the RFT process, including any public depositions that may be made to a Regional Committee or Council in accordance with the Region's Procedural Bylaw.

24. Award of Contract

The award of the Contract is subject to the approval of the Regional Council or its authorized delegate and the receipt of sufficient funding.

Bidders will not, under any circumstances, have any claims against the Region, including claims for incidental, indirect, special or consequential damages, or any loss of revenue, profit, or business opportunity, which arise out of, or are in any way related to, this tender process, howsoever caused, including, but not limited to, claims arising out of the Region's rejection of any Bid, or the Region's failure to award the Contract for any reason, including failure to obtain sufficient funding. In the event that the Region is found liable for damages to any Bidder, such liability shall be limited to the cost of preparation of that Bidder's Bid. The Region does not, by issuing this RFT or by any communication or documentation made or provided in connection with this RFT, incur any duty of care or contractual obligation to any Bidder and expressly disclaims any liability or obligation to any Bidder in connection with this RFT.

25. Execution of Contract

The party to whom the Contract is awarded shall enter into a formal contract with the Region, and forming part of that Contract will be Contract Documents as listed in Article A-3 – Contract Documents of the Agreement Between Owner and Contractor of the Stipulated Price Contract, CCDC-2 2008.

The Region will deliver the Contract to the party to whom the Contract is awarded, and that party shall execute the Contract and furnish the bonds, proof of insurance and all other documents required to be provided to the Region upon the execution of the Contract, not later than 8 Working Days after the date of delivery.

26. Non-Exclusive

Any Contract awarded as a result of this RFT will be non-exclusive. The Region may at its sole discretion, purchase the same or similar services from other sources during the term of the Contract.

27. Confidentiality

Bidders shall not divulge any Confidential Information communicated to, or acquired by, the Bidder or disclosed by the Region in the course of this RFT process without the prior written consent of the Region. The Region reserves the right to disqualify from the RFT process any Bidder who, in the Region's opinion, has breached this requirement for confidentiality.

28. Non-Disclosure Agreement

The Region reserves the right to require the Bidder to enter into a non-disclosure agreement satisfactory to the Region regarding any information that the Region deems to be confidential.

29. Trade Agreements

Bidders should note that procurements coming within the scope of the Canada-Europe Union Comprehensive Economic and Trade Agreement, the Canadian Free Trade Agreement and/or the Trade and Cooperation Agreement between Quebec and Ontario are subject to such agreements, although the rights and obligations of the parties shall be governed by the specific terms of this RFT.

30. Governing Law

This RFT will be construed, and the contractual relationship between the Region and a Bidder will be determined, in accordance with the laws of the Province of Ontario. The courts of the Province of Ontario shall have exclusive jurisdiction with respect to all matters relating to, or arising out of, this RFT.

31. Cancellation of Process

The Region reserves the right, in its sole discretion, to cancel this RFT, to re-issue this RFT, to issue or implement any other procurement process, or take any steps or actions, to procure the same or similar services at any time and from time to time.

No. _____ (the “**Bond**”) Bond Amount \$ _____

as a principal, hereinafter [collectively] called the “**Contractor**”, and

(name of the surety company**)

a corporation created and existing under the laws of [place of incorporation] as a surety, and duly authorized to transact the business of Suretyship in the Province of Ontario and hereinafter called the “**Surety**”, are held and firmly bound unto The Regional Municipality of York as obligee, hereinafter called the “**Owner**”, in the amount of \$[Bond Amount in figures] hereinafter called the “**Bond Amount**”, for the payment of which sum the Contractor and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally in accordance with the provisions of this Bond (the “**Obligation**”).

WHEREAS the Contractor has entered into a written contract with the Owner dated the _____ day of [name of month] in the year _____ for [title or description of contract] (the “**Original Contract**”) and, for the purpose of specifying the conditions of the Obligation, this contract together with amendments made in accordance with its terms are by reference made part hereof and are hereinafter referred to collectively as the “**Contract**”;

NOW THEREFORE the condition of this Obligation is such that if the Contractor shall promptly and faithfully perform the contract then Obligation shall be null and void; otherwise it shall remain in full force and effect, subject to the following terms and conditions:

1. Written Notice

- 1.1 The Owner may make a written demand on the Surety in accordance with this Bond, by giving notice to the Surety substantially in the form attached as Schedule A (the “**Notice**”). Except for a Pre-Notice Meeting in accordance with Section 2.1, the Surety shall have no obligation under this Bond until it receives a Notice.
- 1.2 Where the Surety includes two or more companies, the Notice may be delivered to the first listed Surety on behalf of all Sureties. The first listed Surety is hereby authorized to respond to the Notice on behalf of the Sureties, and the Owner is not required to give separate Notice to each Surety and is entitled to correspond with the first listed Surety on behalf of all Sureties.

2. Pre-Notice Meeting

- 2.1 The Owner may, at its sole discretion and acting reasonably, request a Pre-Notice Conference by notifying the Surety and the Contractor in writing that it is considering declaring the

Contractor to be in default under the Contract (the “**Pre-Notice Meeting**”). This notice and request for a Pre-Notice Meeting by the Owner does not constitute a Notice under this Bond, nor under the Contract, nor is it a precondition to the giving of a Notice. Upon receipt of such request the Surety shall propose a face-to-face meeting, a telephone conference call or a meeting by any other form of electronic media between the Contractor, the Owner and the Surety to take place at a time and place mutually convenient for all parties within seven (7) business days (or such longer time as agreed by all parties) after the Surety’s receipt of the Owner’s request for a Pre-Notice Meeting in accordance with this Section. The Owner, the Contractor and the Surety shall make reasonable efforts to arrange and attend the Pre-Notice Meeting. In the event that the Owner delivers a Notice prior to the Pre-Notice Meeting, then the Pre-Notice is deemed to be retracted.

- 2.2 The purpose of a Pre-Notice Meeting is to allow the Owner, prior to exercising its other rights under this Bond, to express any concerns about the Contractor’s performance pursuant to the Contract and to allow the Contractor to respond to such concerns. The participation of the parties in one or more Pre-Notice Meetings shall be without prejudice to their respective rights and obligations under the Contract, this Bond or applicable law, and neither the participation by any party in any Pre-Notice Meeting, nor any statement or position taken or information provided by any party during any Pre-Notice Meeting, may be relied on by any other party as a waiver or compromise of the rights or obligations of the Owner, the Surety or the Contractor under the Contract, this Bond or applicable law; including, but not limited to the Owner’s right to declare the Contractor in default under the Contract and give Notice under this Bond.

3. Surety’s Investigation and Response

- 3.1 Upon receipt of a Notice from the Owner, the Surety shall promptly initiate an investigation of the Notice (the “**Investigation**”), using its best efforts, to determine if the Conditions Precedent have been satisfied and to determine its liability, if any, under the Bond.
- 3.2 Within the four (4) business days following receipt of the Notice, the Surety shall provide the Owner with an acknowledgement, substantially in the form set out as Schedule B (the “**Acknowledgement**”), identifying the date on which the Notice was received and requesting from the Owner the information and documentation (the “**Information**”) the Surety requires to continue the Investigation and, if necessary, request access to personnel who are knowledgeable about the circumstances of the Notice and to the Contract work site(s) where the work is being performed. Upon receipt of the Surety’s Acknowledgement, the Owner shall promptly, and in accordance with terms of the Contract, provide the Surety with the requested Information and access to personnel and the work site(s) within its possession or control.
- 3.3 The Surety shall within a reasonable time conduct the Investigation, but in any event no later than twenty (20) business days after receipt by the Surety of a Notice (or such longer period as may be agreed between the Surety and Owner), the Surety shall provide the Owner with its written response to the Notice, substantially in the form set out at Schedule C (the “**Surety’s Position**”), advising either that:
 - a) The Surety accepts liability under the Bond and proposes to satisfy its Obligation by performing one of the options set out in Section 6.1; or

- b) The Surety does not accept liability, providing its specific reasons; or
 - c) The Surety is unable to determine whether or not one or more of the Conditions Precedent has been satisfied and, in the Surety's sole discretion, the Surety may propose a process for collaborating with the Owner in the advancement of the completion of the work so as to attempt to mitigate the Owner's cost to complete the Contract.
- 3.4 The Surety shall also, if requested by the Owner to do so, meet with the Owner to discuss the status of the Investigation within five days following receipt of the request. This meeting may take place via a face-to-face meeting, a telephone conference call or a meeting by any other form of electronic media as may be mutually agreed to by the Owner and Surety.

4. Necessary Interim Work

4.1 Prior to and during the Investigation, if the Owner must take action which is necessary to:

- a) ensure public or worker safety,
- b) preserve or protect the work under the Contract from deterioration or damage, or
- c) comply with applicable law,

(the "**Necessary Interim Work**")

the Owner may, acting with due diligence and provided written notice is subsequently provided to the Surety within three (3) Business Days of the commencement of such Necessary Interim Work, undertake such Necessary Interim Work provided that:

- i. Owner shall allow the Surety and/or its consultant(s) reasonable access to the Contract work site(s) during the course of the Necessary Interim Work for the purpose of monitoring the progress of the Necessary Interim Work;
 - ii. any such Necessary Interim Work shall be undertaken without prejudice to the rights of the Owner, the Contractor or the Surety under the Contract, this Bond or applicable law; and
 - iii. the reasonable costs incurred by the Owner in undertaking such Necessary Interim Work (to the extent they are not deducted in the calculation of the Balance of Contract Price in Section 9.1) shall be reimbursed by the Surety, subject to the Surety's liability being subsequently established and subject to such expenses being covered by this Bond. Any payments made by the Surety in respect of the Necessary Interim Work shall reduce the Bond Amount by the amount of any such payments.
- 4.2 Nothing in this section is intended to limit the ability of an Owner to take whatever steps are reasonably necessary in the public interest.
- 4.3 Subject to the foregoing provisions in Section 4.1, the Surety shall not raise the mere fact that the Necessary Interim Work proceeded as a defence to any claim by the Owner hereunder.

5. Post-Notice Conference

- 5.1 Upon receipt of a Notice, the Surety shall propose a face-to-face meeting, telephone conference call or a meeting by any other form of electronic media (a "**Post-Notice Conference**") with the Owner at a mutually convenient time and place within five (5) business

days (or such longer period as may be agreed between the Surety and Owner). The Contractor may participate in a Post-Notice Conference at the invitation of the Surety.

- 5.2 The purpose of the Post-Notice Conference shall be to determine what actions or work, if any, the Owner believes must be done while the Surety is conducting the Investigation in order to effectively mitigate the costs for which the Owner is seeking recovery under this Bond (the “**Mitigation Work**”). Mitigation Work may be performed after Necessary Interim Work and throughout the period of investigation by the Surety.
- 5.3 Provided the Owner provides reasonable evidence to the Surety that Mitigation Work is necessary during the Investigation and that the anticipated costs are reasonable, the Owner may proceed with the Mitigation Work subject to the following conditions:
- a) Owner shall pay the reasonable costs of the Mitigation Work;
 - b) Owner shall keep separate records of all amounts related to the Mitigation Work for which it intends to seek recovery under this Bond, including amounts to be set off against the Balance of Contract Price;
 - c) Owner shall allow the Surety and/or its consultant(s) reasonable access to the Contract work site(s) during the course of the Mitigation Work for the purpose of monitoring the progress of the Mitigation Work; and
 - d) the Mitigation Work shall be without prejudice to the rights or obligations of the Owner, the Contractor or the Surety under the Contract, this Bond or applicable law.
- 5.4 If the Surety objects to any part of the Mitigation Work, including without limitation the Owner’s proposed Mitigation Work contractor(s), scope of work, cost or method of work, it shall immediately advise the Owner in writing of its objections and the reasons therefor. The Owner may still proceed with the Mitigation Work and the Surety’s objections will be addressed through negotiation with the Owner or at the trial of any action brought pursuant to this Bond.
- 5.5 The reasonable costs incurred by the Owner in undertaking the Mitigation Work shall be reimbursed by the Surety, subject to the Surety’s liability being subsequently established. Any payments made by the Surety in respect of the Mitigation Work shall form part of its Obligation under this Bond and shall reduce the Bond Amount by the amount of any such payments.
- 5.6 For greater clarity, any Necessary Interim Work being performed by the Owner pursuant to Section 4 may continue to be performed pending an agreement, if any, as to the Mitigation Work.
- 5.7 Subject to the foregoing provisions in this Section 5, the Surety shall not raise the mere fact that the Mitigation Work proceeded as a defence to any claim by the Owner hereunder.

6. Surety’s Options

- 6.1 If the Surety has accepted liability pursuant to this Bond, the Surety shall promptly select and commence one of the following options:
- a) remedy the default; or
 - b) complete the Contract in accordance with its terms and conditions; or

- c) obtain a bid or bids for submission to the Owner for completing the Contract in accordance with its terms and conditions and, upon determination by the Owner and the Surety of the lowest responsible bidder:
 - i. arrange for a contract between such bidder and the Owner; and
 - ii. make available as work progresses (even if there should be a default, or a succession of defaults, under the contract or contracts of completion, arranged under this paragraph) sufficient funds to complete the Contractor's obligations in accordance with the terms and condition of the Contract including any applicable value-added taxes for which the Surety may be liable, less the Balance of Contract Price; or
- d) pay the Owner the lesser of: (1) the Bond Amount, or (2) without duplication, the Owner's Direct Expenses plus the Owner's proposed cost of completion of the Contract and any applicable value-added taxes for which the Surety may be liable, less the Balance of Contract Price.

6.2 The option selected by the Surety is referred to in this Bond and the Schedules as the "**Surety Option**".

7. Owner's Direct Expenses

- 7.1 Where the Surety is liable under this Bond, then the Surety shall be liable for the following fees and expenses, without duplication (the "**Owner's Direct Expenses**"):
- a) reasonable professional fees incurred by the Owner to complete the Contract which are a direct result of the Contractor's default and which would not have been incurred but for the default of the Contractor;
 - b) reasonable external legal fees incurred by the Owner to complete the Contract, which are a direct result of the Contractor's default and which would not have been incurred but for the default of the Contractor, with the exception of legal fees incurred by the Owner in defending a claim or action by the Contractor, or incurred by the Owner in pursuing an action against the Contractor;
 - c) reasonable, miscellaneous and out-of-pocket expenses incurred by the Owner to complete the Contract which are a direct result of the default of the Contractor and which would not have been incurred but for the default of the Contractor;
 - d) direct costs incurred as a result of an extension of the duration of the supply of services or materials used or reasonably required for use in the performance of the Contract, which are a direct result of the default of the Contractor and which would not have been incurred but for the default of the Contractor;
 - e) reasonable costs of the Necessary Interim Work;
 - f) reasonable costs of the Mitigation Work; and
 - g) any additional fees and expenses agreed to by the Obligee, the Principal and the Surety.
- 7.2 For the purpose of Section 7.1(d), the "direct costs" incurred are the reasonable costs of performing the Contract during the extended period of time, including costs related to the additional supply of services or materials (including equipment rentals), insurance and surety

bond premiums, and costs resulting from seasonal conditions, that, but for the extension, would not have been incurred.

7.3 Subject to any agreement to the contrary, between the Obligee, the Principal and the Surety, the Surety shall not be liable under this Bond for:

- a) any liquidated damages under the Contract;
- b) if no liquidated damages are specified in the Contract, any damages caused by delayed performance or non-performance of the Contractor, except as provided in Section 7.1(d); or
- c) any indirect or consequential damages, including but not limited to costs of financing, extended financing, hedging arrangements, loss of or deferral of profit, productivity or opportunity, or head office overhead costs.

7.4 If the Surety is liable under this Bond then, at the Owner's option, Owner's Direct Expenses may be deducted by the Owner from the Balance of the Contract Price as defined hereinafter or will be promptly reimbursed by the Surety subject to the other terms, conditions and limitations of this Bond and will reduce the Bond Amount.

8. Conditions Precedent

8.1 The Surety shall have no liability or Obligations under this Bond unless all of the following conditions precedent (the "**Conditions Precedent**") have been satisfied:

- a) The Contractor is, and is declared by the Owner to be, in default under the Contract;
- b) The Owner has given such notice to the Contractor of a default of the Contractor, as may be required under the terms of the Contract;
- c) The Owner has performed the Owner's obligations under the Contract; and
- d) The Owner has agreed to pay the Balance of Contract Price to the Surety or as directed by the Surety.

9. Balance of Contract Price

9.1 The term "**Balance of Contract Price**" means the total amount payable by the Owner to the Contractor under the Contract, including any adjustments to the price in accordance with the terms and conditions of the Contract, or other amounts to which the Contractor is entitled, reduced by any amounts deducted by the Owner for the Owner's Direct Expenses under Section 7.4 and all valid and proper payments made to or on behalf of the Contractor under the Contract.

9.2 The Balance of Contract Price shall be used by the Owner to first mitigate against any potential loss to the Surety under this Bond and then under the Labour & Material Payment Bond, and the Owner shall assert all rights and remedies available to the Owner to the Balance of Contract Price and make payment of the Balance of Contract Price as directed by the Surety.

10. Limitations on the Surety's Liability

10.1 Notwithstanding anything to the contrary contained in this Bond or in the Contract, the Surety shall not be liable for a greater sum than the Bond Amount under any circumstances.

10.2 The Surety's responsibility to the Owner under this Bond in respect of any Surety Option or Owner's Direct Expenses shall not be greater than that of the Contractor under the Contract.

11. Right of Action

11.1 No right of action shall accrue on this Bond to or for the use of any person or corporation other than the Owner named herein, or the heirs, executors, administrators or successors of the Owner.

12. Commencement of Action

12.1 It is a condition of this Bond that any suit or action must be commenced before the expiration of two (2) years from the earlier of: (a) the date of substantial performance of the Contract as defined under the Construction Act (the "Act"); or (b) the date on which a Notice in respect of the default that is the subject of such suit or action is received by the Surety under this Bond.

12.2 The Owner, the Contractor and the Surety agree that any suit or action is to be made to a court of competent jurisdiction in Ontario and agree to submit to the jurisdiction of such court notwithstanding any terms to the contrary in the Contract.

13. Common Law Rights

13.1 The rights and obligations of the Owner, the Contractor, and the Surety under this Bond are in addition to their respective rights and obligations at common law and in equity.

Dear Sir/Madam,

Based on the Information you have provided and given the current status of our Investigation, we can advise that *[use only one of these Options]*:

OPTION C

Based on the Information you have provided and the time available for our Investigation

[if applicable] and taking into account genuine disputed issues as between the Owner and the Contractor that have not been resolved according to the terms of the Contract as outlined generally below,

the Surety is unable to determine whether or not one or more of the Conditions Precedent has been satisfied and, therefore, is not able to accept liability under the Bond.

[delete those that do not apply]

- a) the Contractor is, in fact, in default of its obligations under the Contract. *[Provide further explanation as appropriate.]*
and/or

With your agreement and assistance we are willing to extend our Investigation in an effort to resolve outstanding issues. Should this extended Investigation allow us to provide you with an alternative Surety's Position we will do so promptly.

[If applicable] Under a full reservation of all of our rights under the Bond and the applicable law, and without prejudice to the rights and obligations of the Owner, the Contractor or the Surety under the Bond we propose to proceed as follows:

We continue to reserve all of our rights pursuant to the Bond and at law.

ATTACHMENT 2 TO UNDERTAKING TO BOND

FORM 31

LABOUR AND MATERIAL PAYMENT BOND UNDER SECTION 85.1 OF THE ACT

Construction Act

No. _____ (the “**Bond**”)

Bond Amount \$ _____

(name of the contractor*)

as a principal, hereinafter [collectively] called the “**Contractor**”, and

(name of the surety company**)

a corporation created and existing under the laws of [place of incorporation] as a surety, and duly authorized to transact the business of Suretyship in the Province of Ontario and hereinafter called the “**Surety**”, are held and firmly bound unto The Regional Municipality of York as obligee, hereinafter called the “**Owner**”, in the amount of \$[Bond Amount in figures] hereinafter called the “**Bond Amount**”, for the payment of which sum the Contractor and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally in accordance with the provisions of this Bond (the “**Obligation**”).

WHEREAS the Contractor has entered into a written contract with the Owner dated the _____ day of [name of month] in the year _____ for [title or description of contract] (the “**Original Contract**”) and, for the purpose of specifying the conditions of the Obligation, this contract together with amendments made in accordance with its terms are by reference made part hereof and are hereinafter referred to collectively as the “**Contract**”;

NOW THEREFORE the condition of this Obligation is such that if the Contractor shall make payment to all Claimants as hereinafter defined in accordance with the terms of their respective subcontracts or sub-subcontracts for all labour and material used or reasonably required for use in the performance of the Contract then this Obligation shall be null and void, otherwise it shall remain in full force and effect subject to the following conditions:

1. Every corporate or natural person, including a union or workers trust fund on behalf of unionized workers, having a direct contract with the Contractor (hereinafter called a “**Subcontractor**”) or with any Subcontractor (hereinafter called a “**Sub-subcontractor**”) for labour, material or both used or reasonably required for use in the performance of the Contract is a “**Claimant**” under this Bond. The entitlement under this Bond of any Sub-subcontractor, however, is limited to such amounts as the Contractor would have been obligated to pay to the Sub-subcontractor under the *Construction Act* (the “**Act**”). The entitlement under this Bond of any union or workers trust fund is limited to wages and monetary supplementary benefits, as defined in the Act. The terms “labour” and “material” include that part of water, gas, power, light, heat, oil, gasoline, telephone or digital service or rental equipment directly applicable to the Contract provided that a Claimant who rents equipment to the Contractor or a Subcontractor to be used in the performance of the Contract under a contract which provides that all or any part of the rent is to be applied towards

the purchase price thereof shall only be a Claimant to the extent of the prevailing industrial rental value of such equipment for the period during which the equipment was used in the performance of the Contract. The prevailing industrial rental value of equipment shall be determined, insofar as it is practical to do so, by the prevailing rates in the equipment marketplace in which the work is taking place.

2. The Owner is not obligated to do or take any action or proceeding against the Surety on behalf of the Claimant to enforce the bond.
3. Every Claimant who has not been paid for labour, material or both used or reasonably required for use in the performance of the Contract, after the date on which payment was due and payable under the terms of its subcontract or sub-subcontract may demand payment under this Bond by giving the Surety, with a copy to the Contractor and the Owner, a written Notice of Claim, substantially in the form prescribed in Schedule A for a Subcontractor or Schedule B for a Sub-subcontractor, hereinafter called the “**Notice of Claim**”.
4. Where the Surety includes two or more companies a Notice of Claim may be delivered to the first listed Surety on behalf of all Sureties. The first listed Surety is hereby authorized to respond to a Notice of Claim on behalf of the Surety, and a Claimant is not required to make separate Notices of Claim to each Surety and is entitled to correspond with the first listed Surety on behalf of all Sureties.
5. It is a condition precedent to the liability of the Surety under this Bond that a Claimant shall have submitted a Notice of Claim
 - a) in respect of any amount required to be held back from the Claimant by the Contractor, or by a Subcontractor, under either the terms of the Claimant’s contract with the Contractor or Subcontractor or under the Act, whichever is the greater, hereinafter and for the purposes of this Bond called the “**Holdback**”, within one hundred and twenty (120) calendar days after the Claimant should have been paid in full under its contract with the Contractor or with a Subcontractor; and
 - b) in respect of any amount other than for Holdback within one hundred and twenty (120) calendar days after the date on which the Claimant last performed labour or provided materials for which the Notice of Claim was given.
6. For each Notice of Claim provided by a **Subcontractor**:
 - a) No later than three (3) business days after receipt by the Surety of a Notice of Claim the Surety shall acknowledge receipt of the Notice of Claim, substantially in the form prescribed at Schedule C, and request from the Claimant any information and documentation the Surety requires to determine the Claimant’s entitlement under this Bond (hereinafter called the “**Information**”); and
 - b) No later than the earlier of: (a) ten (10) business days after receipt by the Surety of the Information, (b) twenty-five (25) business days after receipt by the Surety of a Notice of Claim, or (c) such longer time as agreed by the Surety and the Subcontractor, the Surety shall provide a position in response to the Notice of Claim, substantially in the form prescribed at Schedule D, hereinafter called the “**Surety’s Position**”.
7. For each Notice of Claim provided by a **Sub-subcontractor**:

- a) No later than three (3) business days after receipt by the Surety of a Notice of Claim the Surety shall acknowledge receipt of the Notice of Claim, substantially in the form prescribed at Schedule C, and request from the Claimant any information and documentation the Surety requires to determine the Claimant's entitlement under this Bond (hereinafter called the "**Information**"); and
 - b) No later than the earlier of: (a) fifteen (15) business days after receipt by the Surety of the Information, (b) thirty-five (35) business days after receipt by the Surety of a Notice of Claim, or (c) such longer time as agreed by the Surety and the Sub-subcontractor, the Surety shall provide a position in response to the Notice of Claim, substantially in the form prescribed at Schedule D, hereinafter called the "**Surety's Position**".
8. No later than ten (10) business days after the Surety's Position being provided to any Claimant the Surety shall pay such amounts included in the Notice of Claim that are undisputed by the Surety, except to the extent that the Surety makes an application to the Court with respect to such amounts in accordance with Section 12 below. This payment of undisputed amounts shall be without prejudice to the Surety's position regarding any disputed portions of a Notice of Claim.
 9. If the subject matter of a notice of adjudication which is delivered in accordance with the Act by the Contractor or a Claimant (the "**Notice of Adjudication**") is substantially the same as that contained in a Notice of Claim, the obligations of the Surety under this Bond shall be stayed until the Surety receives a copy of the adjudicator's determination or there is otherwise a failure to complete or a termination of the adjudication under Section 13.14 of the Act.
 10. By submitting a claim under this Bond, a Claimant agrees that, in the event of an adjudication between itself and the Surety pursuant to which the Surety pays the Claimant pursuant to an adjudicator's interim binding determination, the Surety shall be entitled to bring an action against the Claimant to obtain a final and binding decision in respect of the Claimant's entitlement under this Bond.
 11. The Surety shall not in any circumstances be liable for a greater sum than the Bond Amount.
 12. The Bond Amount shall be reduced by and to the extent of any payment or payments made under this Bond. If the aggregate of all Notices of Claim exceed, or the aggregate of amounts for which Notices of Claim might be given are believed by the Surety to exceed, the Bond Amount then the Surety may apply to the Court for direction in the interest of all Claimants.
 13. Upon payment to a Claimant under this Bond in respect of any indebtedness of the Contractor or Subcontractor to the Claimant, the Surety shall be subrogated to all of the rights of the Claimant in respect of any and all claims, causes of action and rights to recovery which the Claimant may have against any person, firm or corporation because of or in connection with or arising out of such indebtedness, and the Claimant undertakes to extend to the Surety or the Surety's designee any warranties and/or guarantees under the Contract in respect of all labour and materials for which the Claimant has been paid.
 14. As a condition precedent, any suit or action under this Bond must be commenced within one (1) year after the date on which the Contractor last performed work on the Contract, including work performed under any warranty or guarantees provided in the Contract.

15. The parties to this Bond and a Claimant by providing a Notice of Claim agree that any suit or action is to be made to a court of competent jurisdiction in Ontario and agree to submit to the jurisdiction of such court notwithstanding any terms to the contrary in the Contract.
16. The rights and obligations of the Owner, the Contractor, and the Surety under this Bond are in addition to their respective rights and obligations at common law and in equity.
17. This Bond shall be governed by the laws of the Province of Ontario.
18. All notices (“**Notices**”) under this Bond shall be delivered by registered mail, facsimile, or electronic mail at the addresses set out below, subject to any change of address in accordance with this Section.
