Re: **ITT-43-24**

Take notice that the City of Peterborough has issued addendum number 4 for Invitation to Tender # ITT-43-24 which is the fourth addendum issued to date.

You will be required to confirm you have downloaded and reviewed this addendum in bids&tenders™ prior to submitting your bid.

The following outlines amendments to the original documentation for the above noted Invitation to Tender.

Item 1 – Questions and Answers

Question 1:

The addendum issued today lists the companies permitted to bid on the project as they were in attendance for the mandatory site meeting. Snyder Construction was at the meeting this morning and registered on the sign-in sheet however we are not listed.

Answer 1:

This was a clerical error. Snyder has been registered as an approved bidder via the mandatory site meeting attendance tracking. Please see below for a complete list of approved bidders for this ITT.

Registered vendors in attendance who will be permitted to bid on this project are:

- B.E. Construction Ltd
- Barry Electrical Contractors Inc.
- Brook Restoration Ltd.
- Dalren Limited
- Dineen Construction

- M.J. Dixon Construction Limited
- MVW Construction & Engineering Inc. (and subcontractor Smith & Long)
- Rutherford Contracting Ltd.
- Snyder Construction
