44. APPLICABLE LAWS, ATTORNMENT

44.1 This RFT shall be governed and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein and applicable City By-Laws and Policies. To the extent the City is also subject to the Canadian Free Trade Agreement and the Comprehensive Economic and Trade Agreement, Chapter 19 Government Procurement, it is its intention that the procurement process conducted under this RFT be consistent with these requirements, where applicable.

44.2 The Bidder agrees that,

- (a) any action or proceeding relating to this RFT process shall be brought in any court of competent jurisdiction in the Province of Ontario and for that purpose the Bidder irrevocably and unconditionally attorns and submits to the jurisdiction of that Ontario court;
- (b) it irrevocably waives any right to and shall not oppose any Ontario action or proceeding relating to this RFT Process on any jurisdictional basis, including forum non conveniens; and
- (c) it shall not oppose the enforcement against it, in any other jurisdiction, of any judgement or order duly obtained from an Ontario court as contemplated by this section.

45. LIMITATION OF LIABILITY

45.1 Subject to Section 47(i) with respect to the Bidder, the Bidder acknowledges and agrees that the City shall have no liability to the Bidder or its sub-contractors in respect of the conduct of the procurement process relating to this RFT by the City, whether in contract or tort otherwise, and including without limitation, for costs that the Bidder or its sub-contractors incur with respect to the procurement process. The limitation of liability shall apply whether or not based on an allegation, whether in whole or in part, true or not, that the City conducted an unfair procurement process, or in the event the Bidder experiences any technical issues accessing the RFT or filling its Bid.

For further clarity, and without limitation, such limitation of liability also applies with respect to:

- owner exercising its rights and privileges as outlined in this RFT;
- owner's failure to accept or reject the bid submitted by the Bidder;
- the acceptance or rejection of any Bid;
- the manner in which this RFT process was conducted;
- City's award of or failure to award a Contract;

- acts and/or omissions of City or its Councillors or consultants related to this RFT process; and
- any matter arising out of or directly or indirectly related to the issuance of this RFT, evaluation of Bids or compliancy determinations or other City decisions

(collectively the “**RFT matters**”).

45.2 Bidder absolutely waives and releases any right, or cause of action against the City and its agents, consultants, Mayor, Councillors and employees whether such right or cause of action arises in contract, negligence, or otherwise, including without limitation claims for loss of revenue, profit, or business opportunity.

45.3 Bidder acknowledges and agrees that, to the extent permitted by CFTA and CETA, it will not have or initiate any claims against the City or its agents, consultants, Mayor, Councillors and employees, including claims for incidental, exemplary, special, indirect, special or consequential damages, or any loss of revenue, profit, or business opportunity, even if it had advised the City of the possibility of such damages, and regardless of whether arising in tort (including negligence), contract, or other legal theory.

46. INTERPRETATION OF RFT, SEVERABILITY AND DEBRIEFINGS

46.1 Should any provision in this Document 1 or any other Bid Document be or become invalid, ineffective or unenforceable in whole or in part, the validity, effectiveness and enforceability of the remaining provisions shall not be affected thereby. Any such invalid, ineffective or unenforceable provision shall be deemed replaced by such valid, effective and enforceable provision which comes closest to the economic intent and the purpose of such invalid, ineffective or unenforceable provision as regards subject-matter, amount, time, place and extent.

46.2 The City will promptly inform participating Bidders of its contract award and procurement process decisions, and, on the request of a Bidder, will do so in writing. Subject to not disclosing Bidder information that might prejudice fair competition between Bidders and other reasonable restrictions, the City will, on request, provide an unsuccessful Bidder with an explanation of the reasons why its Bid was not selected and the relative advantages of the Successful Bidder's Bid. The City will provide unsuccessful Bidders, until 15 business days following notification of the Agreement award date, a right to request a debriefing).

47. BID DISPUTES

47.1 Bid disputes shall be governed by and (to the extent permitted by CFTA and CETA) finally resolved in accordance with the City's Corporate Procurement Policy (PS-003). To the extent permitted by law, the RFT process may continue while the bid dispute notice is being reviewed pursuant to PS-003. As used in this RFT, “**CFTA**” means the *Canada Free Trade Agreement (2017)* and “**CETA**” means the *Canada – European Union (EU) Comprehensive and Economic Trade Agreement*.

47.2 As used below, “**Challenge**” means (i) a claim by a Bidder that City has breached one or more provisions of CFTA or CETA, as applicable; or (ii) if the Bidder does not have a right to challenge directly a breach of CFTA or CETA under the laws of Ontario, a

claim by Bidder that City has failed to comply with its obligations to implement CFTA or CETA.

- 47.3 Each Bidder shall be allowed a sufficient period of time to prepare and submit a Challenge, which shall be 15 days from the time when the basis of the Challenge became known or reasonably should have become known to the Bidder. Challenges shall be addressed to the City's Director of Procurement Services and clearly and specifically outline Bidder's concerns and claims and reference applicable provisions of the CFTA and/or CETA.
- 47.4 The Bidder and the City shall seek to resolve the Challenge through consultations and otherwise in accordance with City's PS-003. The Bidder may appeal any City decisions regarding the Bidder's Challenge pursuant to the following subsection (e). The RFT process may proceed, and a Contract may be awarded, during the appeal process.
- 47.5 Pending the establishment or designation of at least one impartial administrative or judicial authority by the Province of Ontario that is independent of its procuring entities to receive and review an applicable Challenge by a Bidder (and which the City elects to use for the purposes of this RFP), all disputes arising out of or in connection with this RFT, or in respect of any legal relationship associated with or derived from this RFT, may be finally resolved, at the City's election, by arbitration under the Arbitration Rules of the ADR Institute of Canada, Inc. The Seat of Arbitration will be Toronto, Ontario before a single arbitrator. The language of the arbitration will be English. For clarity, Bidder and the City can mutually agree to alternative rules and an alternative body to arbitrate the dispute.
- 47.6 The decision of a review body under (e) immediately above shall be subject to judicial review unless the review is conducted in accordance with the following:
- (a) The review body has procedures that provide that The City shall respond in writing to the challenge and disclose all relevant documents to the review body;
 - (b) the participants to the proceedings ("**participants**") shall have the right to be heard prior to a decision of the review body being made on the challenge;
 - (c) the participants shall have the right to be represented and accompanied;
 - (d) the participants shall have access to all proceedings;
 - (e) the participants shall have the right to request that the proceedings take place in public and that witnesses may be presented; and
 - (f) the review body shall make its decisions or recommendations in a timely fashion, in writing, and shall include an explanation of the basis for each decision or recommendation.
- 47.7 Any rapid interim measures adopted or maintained by City to preserve the Bidder's opportunity to participate in the procurement may result in suspension of the procurement process.

- 47.8 Such measures may provide that overriding adverse consequences for the interests concerned, including the public interest, may be taken into account when deciding whether such measures should be applied. Just cause for not acting shall be provided in writing.
- 47.9 IN NO EVENT SHALL THE CITY'S LIABILITY TO THE BIDDER AND THE AGGREGATE AMOUNT OF COSTS AND DAMAGES RECOVERABLE AGAINST THE CITY RELATING TO OR ARISING FROM THIS RFT PROCESS OR ANY RFT MATTER EXCEED THE LESSER OF: (I) THE COSTS FOR THE PREPARATION OF THE BID; AND (II) THE COSTS RELATING TO THE CHALLENGE, IF A REVIEW BODY DETERMINES THAT THERE HAS BEEN A BREACH OR A FAILURE AS REFERRED TO IN PARAGRAPH 45(b). FOR CLARITY, TO THE EXTENT PERMITTED UNDER CETA AND CFTA, SUCH COSTS AND DAMAGES SHALL BE LIMITED TO ACTUAL, DIRECT COSTS REASONABLY INCURRED BY BIDDER IN THE CIRCUMSTANCES, AND SHALL NOT EXCEED COSTS WHICH A COMMERCIALY REASONABLE PARTY WOULD INCUR GIVEN THE ACTUAL REVENUES AND PROFITS THAT COULD REASONABLY BE EXPECTED IN THE CONTEXT OF THE SPECIFIC PROCUREMENT.
- 47.10A failure by the City to fulfill its obligations under this Section 47 shall not, to the extent permitted by CFTA and CETA, incur for the City a liability to Bidder that exceeds a costs and/or damages award in excess of the amount described in subsection 47 (i) above for the actual loss or damages suffered as a result of failure to perform its obligations under this Section 47, if any.
- 47.11 For greater clarity, further, a final determination that the City was permitted to take such actions as it did with respect to a Bidder's Bid, any RFT Matter or City's performance under this RFT, shall be consistent with a determination that no costs or damages award of any sort whatsoever should be made against the City.

48. ACCESSIBILITY FOR ONTARIANS WITH DISABILITIES ACT, 2005

Accordingly, between Notification of Award and Agreement execution, a Successful Bidder will be required to submit certain documentation and/or certifications related to health and safety as set forth in Section 41.5. Further, Bidders shall review the applicable provisions of the Contract related to health and safety that describe what the Contractor's obligations with respect to health and safety will be (including, without limitation, fulfilling the responsibilities of "constructor" under the OHSA) and the City's reliance on the Contractor's expertise in the field of construction health and safety.
- 50.2 A Bidder is not permitted to submit a Bid for this RFT if the Bidder has been the subject of an Impermissible Health and Safety Violation. 6.4.5 If the *Contractor* was given access to the *Place of the Work* prior to the submission of the bid on which the *Contract* was awarded, then the *Contractor* confirms that it carefully investigated the character of the *Work*, the *Place of the Work* and all local conditions which might affect its obligations and that it has satisfied itself as to the nature and extent of the *Work*, the *Contract Documents* and the *Contract* and as to the facilities and difficulties in attending and completing the execution of the *Work*. The *Contractor* confirms that it has applied to its investigation the degree of care and skill required by paragraph 3.14.1. In those circumstances, notwithstanding the provisions of paragraph 6.4.2, the *Contractor* is not entitled to an adjustment to the *Contract Price* or to an extension of the *Contract Time* for conditions which could reasonably have been ascertained by the *Contractor* by such careful investigation, or which could have been reasonably inferred from the material provided with the *Contract Documents*. In those circumstances, should a claim arise, the *Contractor* will have the burden of establishing that it could not have discovered the materially different conditions from a careful investigation, because of restrictions placed on its access or inferred the existence of the conditions from the material provided with the *Contract Documents*.

6.4.6 To the extent the *Contractor* has not investigated as referenced in paragraph 6.4.5, the *Contractor* willingly assumes responsibility for all losses, damages, costs, expenses (including all legal costs on a full indemnity basis), liabilities, claims, actions, and demands, whether arising under statute, contract or at common law, which such investigations might have avoided or reduced and shall indemnify and save harmless the *Owner* from all risk which might make it more onerous and more expensive to fulfill or perform the *Work* than was contemplated or known when the *Contract* was signed, and for any and all liability, responsibility and obligations which the *Owner* may have to any third parties resulting from any failure to investigate.

6.4.7 If the finding made pursuant to paragraph 6.4.2 is that the subsurface or otherwise concealed physical conditions differ materially and this would cause an increase or decrease in the *Contractor's* cost or time to perform the *Work*, and if the said conditions were otherwise discoverable by the *Contractor* in the proper performance of its duties and obligations under the *Contract*, all costs and expenses

resulting from any delay (excluding, for clarity, the direct cost of remediating the said conditions) in the completion of the *Work* that is caused, or contributed to, as a result of the said conditions, will be borne by the *Contractor*.

If the *Contractor* fails to attain *Substantial Performance of the Work* or *Total Performance of the Work* as aforesaid, the *Owner* shall be reimbursed by the *Contractor* for all reasonable costs, damages and expenses incurred by the *Owner* as the result of any such failure, including, but not limited to, the cost of all additional services required by the *Owner* from the *Consultant* or any subconsultants, project managers, or others employed or engaged by the *Owner*.

6.5.7 The *Contractor* recognizes and agrees that the *Owner* will suffer financial loss if the *Work* is not completed within the time specified in the *Contract*. (b) the *Owner* may deduct the amount due under this section from any monies that may be due or payable to the *Contractor*, whether under this *Contract* or any other agreement;

(c) the *Owner* may invoice the *Contractor* for liquidated damages owing, and the *Contractor* shall pay such invoices within 30 days of receipt; and,

Accessibility for Ontarians with Disabilities Act (AODA) Requirements

The City of Vaughan considers accessibility in all its buying decisions. Where possible, the City advises Bidders in writing the accessibility criteria and features it will consider. The City also provides guidelines on how it will evaluate bids/proposals/responses based on accessibility. Where it is not practical to address accessibility concerns, the City will explain why in an accessible format, on request.

Training for staff, etc. (Integrated Accessibility Standards, O. Reg. 191/11, section 80.49, AODA 2005)

The City of Vaughan supports the goals of the Accessibility for Ontarians with Disabilities Act (AODA), 2005 and is committed to providing equal treatment and equitable benefits of City services, programs and facilities in a manner that respects the dignity and independence of people with disabilities.

Under section 6 of the Accessibility Standard for Customer Service, O. Reg. 429/07, established by the AODA, the City must ensure that employees, volunteers and all other personnel, including third party Contractors who deal with members of the public or other third parties on behalf of the City or, who participate in developing City policies, practices or procedures on the provision of goods and services receive training on accessible customer service.

All personnel must complete training that meets the requirements of the Accessible Customer Service regulation and includes:

- How to use equipment or devices available on the provider's premises or otherwise provided by the provider to people with disabilities to access goods or services; and
- What to do if a person with a particular type of disability is having difficulty accessing the provider's goods or services.

Third party Contractors and other service providers are to ensure that training records are maintained, including dates when training is provided, the number of personnel who received training and individual training records. Contractors are required to ensure that this information is available, if requested by the City.
