**Description: General Contracting Services for New Fire Station 7-1 Facility Renewal**

**Closing Date: Thursday, October 24, 2024 3:00 PM**

**THE additions, deletions and/or revisions as hereinafter specified, shall form an integral part of the bid document and shall be read in conjunction with the requirements set forth in the bid document.**

**THE Addendum shall take precedence over all requirements to the aforementioned information in which it may prove to be at variance.**

### **Question 1:**

Please would you consider extending the bid submission deadline by a week. It would be very helpful to us as well as our trades.

### **Answer 1:**

The closing date will not be extended and remains on Thursday, October 24, 2024 3:00 PM local time.

### **Question 2:**

Please advise what is the tentative start date. The file T24-388 Appendix A TOR mentions that it is within 2 week of contract execution. Is it okay to assume January 2025 as the tentative construction start date?

### **Answer 2:**

On-site construction is expected to begin in mid to late November. Please note that once the successful bidder is selected and the contract is finalized, construction is scheduled to commence approximately two weeks thereafter.

**Question 3:**

As per the documents, there is no site visit scheduled. Please can we schedule a site visit with our trades as it will help to price the scope better. Alternatively, if it is not possible, please can you provide some photos and videos of the site for reference.

**Answer 3:**

Please refer to the attached file to access video links of the site.

**THIS Addendum shall be acknowledged in the spaces provided online, stating that "I have reviewed the addendum".**
