The Niagara Region is seeking the services of a qualified General Contractor from our 2022-RFPQ-218 General Contractor Pre-Qualification to enter a CCDC 2 contract to construct a new NG-911 Niagara Regional Police Services (NRPS) Back Up Facility set at the Region’s current District Three facility, located at 5 Lincoln St. Welland ON. The Successful Bidder shall be required to perform all associated works for the new building and site works in accordance with the project Tender Document Package as described in **Appendices D and E**.

1.1.2 Bidder must Be Single Entity.

The bidder must be a single legal entity that, if selected, intends to enter into the contract with Niagara Region. If the bid is being submitted jointly by two (2) or more separate entities, the bid must identify only one of those entities as the “bidder”. The bidder will be responsible for the performance of the Deliverables.

1.1.3 Bidding System Registration

All bidders must have a vendor account with Niagara Region’s electronic bidding system at: <https://niagararegion.bidsandtenders.ca/Module/Tenders/en> and must be registered as a plan taker for this opportunity. This will enable the bidder to download the solicitation document, to ask questions, to receive addenda email notifications, download addenda, and submit their bid electronically through the bidding system.

1.2 Niagara Region’s Procurement By-law

Niagara Region’s procurement processes are governed by its Procurement By-law No. 02-2016 (“Niagara Region’s By-law”). It is the bidder’s responsibility to become familiar with and comply with Niagara Region’s By-law, which is available on line at:

<https://niagararegion.ca/government/bylaws/pdf/procurement-bylaw.pdf>

In the event of any inconsistency between the provisions of Niagara Region’s By-law and the terms of this RFT, the terms of this RFT will prevail and will govern the RFT process.

1.3 RFT Contact

To contact Niagara Region in relation to this RFT, bidders must initiate the communication electronically through the bidding system. Niagara Region will not accept any bidder’s communications by any other means, except as specifically stated in this RFT.

For the purposes of this procurement process, the “RFT Contact” will be:

Dhruv Bhatt, Senior Purchasing Agent
dhruv.bhatt@niagararegion.ca

Bidders should only contact the RFT Contact where specifically instructed to in this RFT. All other communication in relation to this RFT, up to and including the submission of the bid, must be through the bidding system, as described above.

Bidders and their representatives are not permitted to contact any employees, officers, agents, elected or appointed officials, or other representatives of Niagara Region, other than the RFT Contact, concerning matters regarding this RFT. Failure to adhere to this rule may result in the disqualification of the bidder and the rejection of the bidder's bid.

1.4 Accommodations for Bidders with Disabilities

In accordance with the *Ontario Human Rights Code*, *Ontarians with Disabilities Act, 2001* (ODA) and *Accessibility for Ontarians with Disabilities Act, 2005* (AODA), the Niagara Region will accommodate for a disability, ensuring full and equitable participation throughout the RFT process.

If a bidder requires this RFT in a different format to accommodate a disability, the bidder must contact the RFT Contact as soon as possible and in any event prior to the Submission Deadline. The RFT in the different format will be issued only to the requesting bidder and all addenda will be issued in such different format only to the requesting bidder.

[End of Part 1]

PART 2 – EVALUATION AND AWARD

2.1 Stages of Evaluation

Niagara Region will conduct the evaluation of bids in the following stages:

2.2 Stage I – Mandatory Submission Requirements

Stage I will consist of a review to determine which bids comply with all of the mandatory submission requirements. Bids that do not comply with all of the mandatory submission requirements as of the Submission Deadline will, subject to the express and implied rights of Niagara Region, be rejected. The mandatory submission requirements are listed in Section C of the RFT Particulars (Appendix B).

2.2.1 No Amendment to Forms

Other than inserting the information requested on the mandatory submission forms set out in the RFT, a bidder may not make any changes to any of the forms. Any bid containing any such changes, whether on the face of the form or elsewhere in the bid, may be disqualified.

2.3 Stage II – Mandatory Technical Requirements

Stage II will consist of a review to determine which bids comply with all of the mandatory technical requirements. Bids that do not comply with all of the mandatory technical requirements as of the Submission Deadline will, subject to the express and implied rights of Niagara Region, be rejected. The mandatory technical requirements are listed in Section D of the RFT Particulars (Appendix B).

2.4 Stage III – Pricing

Stage III will consist of evaluating the submitted pricing of each compliant bid in accordance with the evaluation method set out in set out in Section F of the RFT Particulars (Appendix B). The evaluation of price will be undertaken after the evaluation of mandatory requirements has been completed.

In the event that a bidder's pricing appears to be abnormally low in relation to the Deliverables, Niagara Region may require the bidder to provide a detailed explanation of the pricing information to account for the low level of price and confirm that all requirements in respect of the Deliverables have been taken into account. If the bidder is unable to satisfactorily account for the abnormally low pricing, Niagara Region may reject the bid. Niagara Region may also reject any bid that contains unbalanced pricing. Pricing may be considered unbalanced where nominal or significantly understated prices are proposed for some elements of the Deliverables and inflated prices are proposed for other elements of the Deliverables. Unbalanced pricing includes, but is not limited to, "front-loaded" pricing which contains inflated pricing for Deliverables to be provided or completed at the beginning of the contract, offset by understated pricing for Deliverables to be provided or completed later in the contract.

2.5 Selection of Lowest Compliant Bidder

Subject to Niagara Region's reserved rights, the compliant bidder with the lowest pricing will be selected to enter into the Contract. In the event of a tie, the selected bidder will be determined by way of a coin toss.

2.6 Notice to Bidder and Execution of Contract

Notice of selection by Niagara Region to the selected bidder shall be in writing. The selected bidder shall execute the Contract in the form attached as Appendix A to this RFT and satisfy any other applicable conditions of this RFT, including the pre-conditions of award listed in Section E of the RFT Particulars (Appendix B), within ten (10) days of notice of selection. This provision is solely for the benefit of Niagara Region and may be waived by Niagara Region.

2.7 Failure to Enter into Contract

Bidders are responsible for obtaining all addenda issued by Niagara Region.

3.2.3 Post-Deadline Addenda and Extension of Submission Deadline

If Niagara Region determines that it is necessary to issue an addendum after the Deadline for Issuing Addenda, Niagara Region may extend the Submission Deadline for a reasonable period of time.

3.2.4 Verify and Clarify

When evaluating bids, Niagara Region may request further information from the bidder or third parties in order to verify or clarify the information provided in the bidder's bid. The response received by Niagara Region shall, if accepted by Niagara Region, form an integral part of the bidder's bid.
