Question 1:

I've only been able to find shades required in room 112, can you please confirm shades are required just in this room.

Answer 1:

Roller shades are only required for windows in Room 122. Refer to Elevation 1/A7.1 for illustration. (2) full width, partial height beneath the new vents, (2) half width, partial height adjacent to the new vents, (1) full height, full width at the center window.

Question: 2

As per subcontractors' request, please consider an extension of two weeks due to commitment to previous tenders (avoiding multiple job closings on the same day).

Answer: 2

Refer to the revised schedule of dates.
