

REQUEST FOR TENDER WS-RFT-25-061
General Contracting Services for New Fire and Paramedics Response Station

The Corporation of the Town of Whitchurch-Stouffville
Community Services Department

ADDENDUM # 5

The following questions have been asked regarding this RFT:

1.1 GENERAL INSTRUCTIONS

- .1 Date of issue: September 18, 2025
- .2 All Tenderers are hereby advised that the information contained in the Bidding Documents, issued for the above captioned project, has been amended to include the information contained within this document, and such information is to be covered in the tender submission and shall form part of the Contract.

1.2 AFFECTED SECTIONS OF THE PROJECT MANUAL

- .1 Refer to Section 01 21 00 – Allowances (section not re-issued).
 - .1 Revise sentence 1.3.13.10 CCTV and Security Systems as follows:
 - .10 CCTV and Security Systems. Note: Allowance **does not** include electrical rough-in (conduits, fittings, boxes). This scope is part of the base Contract. The allowance covers supply and installation of items listed under Specification Section 28 13 10 issued previously.
- .2 Delete Section 02 83 20 – Retaining Walls
 - .1 Note: Retaining walls are to be constructed in accordance with specified OPSD details as indicated.

1.3 AFFECTED DRAWINGS

- .1 None.

1.4 SCHEDULE OF PRICES UPDATE

The Cash Allowance amount has been updated in the Schedule of Prices – Table B: Cash Allowance from \$954,500.00 to \$1,050,000.00
