

Addendum #8
RFT-2025-180
Construction of New Fire Station
Closing Date: Tuesday October 28, 2025 2:00:00 PM

This Addendum will form part of the RFT document.

In the event of any conflicting or inconsistent information, this addendum will take precedence over all requirements of the original RFT document, and any addenda issued previously.

All other requirements of the RFT document remain the same.

Bidders must acknowledge receipt of this addendum, when submitting their bid.

Updates:

The Town has assessed the information submitted by Bidders in the Equivalent Product Request Forms to determine whether the proposed equivalent products are acceptable.

As noted in **Addendum #5**, the product must meet or exceed the requirements detailed in the original specification and drawings and demonstrably fulfill the requirements to be considered as an acceptable equivalent.

The following products have been reviewed and approved, for purposes of bidding, as equivalent products to those identified in the specifications for **RFT-2025-180**

Construction of New Fire Station:

1) Elevator: Garaventa “Elvoron” LU/LA

2) Roofing: IKO

Technical Specifications
