

## MEMORANDUM

---

**From:** Ron Saporta, Chief Operations Officer, Property Services & Sustainability  
**Date:** December 14, 2018  
**Re:** **Smoke-Free Policy – University of Toronto**

---

The University of Toronto has approved a Smoke-Free Policy, effective **January 1, 2019**.

The updated policy will ban smoking and vaping of tobacco, cannabis and other products on all property owned by U of T, including but not limited to the St. George, Mississauga and Scarborough campuses. The prohibition includes inside or outside vehicles while parked on University property.

This policy applies to all individuals present on University of Toronto property at any time and for any purposes, including employees, students, contractors, volunteers, and visitors.

Once in effect on January 1, smoking is only permitted off University property or in designated smoking areas.

Please note that there are no designated smoking areas on the St. George campus. A list of designated smoking areas on the Mississauga and Scarborough campuses will be indicated with signage on these campuses. These designated smoking areas are subject to change.

We appreciate your cooperation in this manner.
