**ADDENDUM No. 6  
REQUEST FOR TENDER No. Doc5314342288**

**SUBMISSION DEADLINE: 12:00 NOON (LOCAL TIME), October 2, 2025**

**FOR: Accessibility Upgrades Located at 50 Richmond St., Toronto**

Please refer to the above Request for Tender document in your possession and be advised of the following:

**I. QUESTIONS**

Q1 – We acknowledge that the tender has been moved to October 2, 2025, Noon Local Time. However, due to our busy schedule that week, we kindly request that the tender closing be postponed to the following week if possible

**A1 – We are not considering another date extension at this time.**

Q2 – Can you also ask them if we are expected to provide a Milestone Network Video Recorder for this site or not please. If so, please have them specify model, storage size etc...

**A2 – No recorder required. Cameras will be streamed off-site. The IT Network lead should assist with confirming the bandwidth, data drops, switch, and Racks for the camera installation.**

Q3 – The specs also mention the use of a “2N intercom stations in Police Buildings”. Can we assume this is not required ?

**A3 – We have reattached the security specifications for reference, which outline the intercom requirements - there is no mention of 2N intercom stations in Police buildings.**

Q4 – According to the security specifications, “8.1.2. City of Toronto Corporate Security: Corporate security will supply card readers, CCTV cameras, and I-star panels as required. GC and their security subcontractor are responsible for coordination and programming/installation of these devices”.

**A4 – The awarded security vendor is responsible for supplying, installing, programming, and warranty of all security devices.**

Q5 – With respect to the above item, can you confirm if the City is also going to supply access control power supplies and CCure I/O boards also?

**A5 – The awarded security vendor is responsible for supplying, installing, programming, and warranty of all security devices.**

Q6 – Will all of the duress buttons be connected back to the CCure access control system or is there to be a separate intrusion alarm system?

**A6 – All access control, duress, and intrusion systems are to be connected to the iStar to be programmed on CCure.**

Q7 – Will the security contractor be required to provide Milestone camera licenses or will these be provided by the City?

**A7 – No, the city will provide the license.**

Q8 – We also want to confirm what, if any, security devices and panels have to be demolished from the site and what can be re-used, if applicable.

**A8 – There is no City of Toronto equipment on site.**

Should you have any questions regarding this addendum send via the event message board or contact Max Parker by email at [Max.Parker@toronto.ca](mailto:Max.Parker@toronto.ca).

Suppliers must acknowledge receipt of all addenda in the space provided on Part 4 – Submission Form as per Part 1 Tender Process, Section 1 RFT Specific Process and Submission Instructions, Item 1.7 – Addenda, of the Tender document. All other aspects of the Tender remain the same.

Yours truly,

For  
Theodoros Maicantis, Supervisor  
Purchasing & Materials Management Division
