Joint Venture's bid submission: a valid OHSMS certification in the legal name of each member of the Joint Venture, or if the Joint Venture entity is incorporated, a single valid OHSMS certification in the legal name of the incorporated joint venture entity, failing which the City may reject the bid as non-compliant.

Upon the request of the City, the Supplier must submit the OHSMS certification's most recent accompanying third-party audit report, in full, for validation purposes, at any time before contract award, within 24 hours of the City's request. Based on a review of the audit report, the Supplier's OHSMS certification may or may not be deemed acceptable, as determined at the City's sole discretion.

OHSMS certifications which will be accepted by the City are restricted to one or more of the following:

- i. IHSA COR® 2020 – Infrastructure Health and Safety Association (IHSA) Certificate of Recognition (COR)® 2020
- ii. For Suppliers with a Certificate of Recognition issued in a jurisdiction other than Ontario, the Supplier must also submit a Letter of Reciprocity from the IHSA along with the COR certification
- iii. MLITSD SOSE – Ministry of Labour, Immigration, Training and Skills Development of Ontario (MLITSD) as amended Supporting Ontario Safe Employers Program (SOSE) certificate; or,
- iv. ISO 45001:2018 – International Organization for Standardization (ISO) 45001:2018 as amended certificate, issued by a certification body that is accredited by an accreditation body that is recognized by the International Accreditation Forum (IAF).

The OHSMS certificate must contain all the following information:

1. name and address of supplier matching the name and address provided in the solicitation;
2. the standard for which the certificate has been issued;
3. certificate issue date, and expiry date;
4. name, and insignia of certification body;
5. printed name, job title, and signature of a representative from the certification body; and
6. certificate number.

Certificates for ISO 45001 must also include:
