- 2.4 The Bidder acknowledges that the Owner shall be at liberty to accept the Unit Prices as bid or, during the course of the project, to renegotiate the Unit Prices without thereby rejecting the Unit Prices as bid.

3.0 SUBCONTRACTORS AND SUPPLIERS

- 3.1 I/we the undersigned propose to employ the following Subcontractors and Suppliers to perform or supply an item of the Work called for by the Contract. I/we confirm that all such Subcontractors and Suppliers have been investigated to confirm their reliability and competency to carry out or supply such Work in accordance with the Contract. I/we acknowledge that Section 00 21 13, Instructions to Bidders, require that we list only one Subcontractor or Supplier for each item of Work described in this Bid Form. I/we further acknowledge that where we have entered "own forces" to perform an item of the Work, it is our intention to use "own forces" for that purpose. After Bid submission, no substitution for a Subcontractor, Supplier or "own forces" will be permitted except as provided in the Contract.
