Addenda #6 – Clarification Regarding Base Building Contractors Provided in Addenda #3

Renovations for Holland Landing Fire Station in the Town of East Gwillimbury - T-26-05

Closing on April 16, 2026.

Bidders are requested to incorporate the changes/clarifications noted below to the above noted Tender documents in your possession and be governed accordingly.

Where applicable bidders must acknowledge receipt of all addenda issued in the Town's Bids & Tenders Website: <https://eastgwillimbury.bidsandtenders.ca>

Where there is no evidence of receipt of all addenda, save and except any addenda which the Town deems, in its sole discretion, to be administrative in nature, the bid shall be rejected.

This addendum shall remain attached to and form part of the contract documents.

In Addendum #3, bidders inquired whether there are specific base building contractors for Alarm & Security, Sprinkler, Fire Alarm, BAS, and Data Cabling.

The Town has identified preferred base building contractors for these services, including D&L Fire, Northern Alarm Protection, and High-Tech Communications.

Please be advised that these scopes of work will be carried under a cash allowance and are **not** to be included in the general contractor's base bid.

Following contract award, the identified contractors will be invited to attend site and provide detailed quotations for their respective scopes of work.

Yours truly,

M R Gerrior

Mike Gerrior CSCMP, NIGP-CPP, CPPB, C.P.M., C. Mgr.
