This addendum is issued to notify registered plantakers of the response to the asked question:

Question 1: We plan to bid this tender and another TDSB project 'Accessibility Improvements at Woburn PS TR-25-0964 Woburn CI TR-25-0963 Albert Campbell CI TR-25-0961 Dr. Norman Bethune CI TR-25-0962'. It comes out a problem, this meeting starts at Wednesday April 29, 2026 12:00 PM and the next one Woburn CI meeting starts at 1:00PM, there is 26 km distance and takes at least 35 mins. I am wondering if this meeting is designed to finish within 25 mins, or we have to schedule another person to attend both meetings.

Answer 1: Site meetings have been revised. We can reschedule our meeting at Downsview PS to start at 11:00 a.m., then move to Downsview SS at 11:30 a.m., and finish at 12:00 p.m. In this case, they will have enough time to travel to Woburn CI.

Question 2: Please note that document has separate bid forms and we need to know if we need to submit these as part of bid submission as well. There is no area in the document section to submit these documents. Document File name- 5.0 TR-25-0941 DPS Electrical Bid forms and TR 25-0942-DSS Supplementary Bid Form

Answer 2: As per the document: The Bidder shall submit the requested supplementary bid information within twenty-four (24) hours of the Owner's request, unless otherwise directed in writing by the Owner. Should a proponent be requested to submit the forms, further instructions will be sent.
