1.0 Subcontractor Declaration

Bidders are required to list all Subcontractors they intend to use on this project at the time of bid submission. If the successful contractor at a later date replaces one of these listed Subcontractors, or intends to use a new one, the bidder agrees that no changes from this list may be made without the express written approval of the Board. It is at the sole discretion of TDSB to accept or reject the Subcontractor and the sole responsibility of the contractor to provide an approved alternate. It is also the responsibility of the contractor prior to bid submission to contact TDSB for any Subcontractor that is not acceptable. No Subcontractor or Supplier listed below will be accepted who cannot provide the specified manufacturer's Products named in the Specifications. Extra costs to the Contract will not be considered for a Subcontractor/Supplier substitution, regardless of the reason, except where a substitution is requested by the Board.

The following Subcontractor Prices include all labour, materials, mark-ups, and taxes. These prices do NOT include Value Added Taxes (HST). It is understood that these Subcontractor Prices are provided for information purposes only and will not be used to modify the scope of the Work nor adjust the Bid Price. Work to be performed by the Bidder's own forces shall be noted as "OWN FORCES". For Subcontractors not listed below, utilize the blank rows at the end of the chart. Only one Subcontractor name shall be listed for each section of work.

All forms must be typed.

2.0 List of Materials

The following is a list of materials, Products, and specified manufacturers or Suppliers upon which the Bid Price is based. The Bid Price shall include Products from one of the listed manufacturers or Suppliers. Bidders shall not add names nor alter this list in any way. If inappropriate substitutions are made by the Bidder on this list, the list shall be revised to conform to the Specifications and to the approval of the Consultant.

The Bidder shall identify the manufacturer or Supplier carried for each material by circling the appropriate name on the list. The Bidder shall circle only one manufacturer or Supplier name for any one item. If more than one name is circled or if no manufacturer or Supplier is identified for any one item, the Product manufacturer or Supplier listed in bold type shall be provided.

No changes to this list shall be made after bid submission without the Owner's express written permission as issued by the Consultant.
