ADDENDUM No. 1
REQUEST FOR TENDER No. Doc5678596784
SUBMISSION DEADLINE: 12:00 NOON (LOCAL TIME), May 29, 2026
FOR: TSSS Shelter - Roof and Window Replacement, Located at 60 Brant St, Toronto

Please refer to the above Request for Tender document in your possession and be advised of the following:

I. CLARIFICATIONS

C1 - Supplemental information for existing windows.

Provided information on conditions of existing heritage steel windows to be restored.
Refer to Heritage Window Condition Assessment Report.

C2 - Revised description of work for window operating hardware

Provided clarification to restore existing operating hardware and replace missing operating hardware to match existing., replace weather seal at all operable panels.
Refer to Drawing A3.0 and Specification 08 51 23 Conservation of Heritage Steel Windows.

II. QUESTIONS AND ANSWERS

Q1. The division 8 and a drawings shows a windows frame repair repaint, glazing replacement, however the scope ow work description (page 1 of 7) shows a window replacement and the name of the tender also is" the Roof and Windows replacement"

Please clarify if replacement of the windows are in scope of work of that tender.

A1. Provided clarification to scope of work for heritage steel window conservation and glazing replacement.

Refer to Specification 01 11 00 Summary of Work.

Q2. Division #4 Brick Masonry restoration - Is any quantity available for the pricing?

A2. There is no quantity available for the brick and masonry restoration work as it is performed as necessary to repair any damage caused during construction. As the scope of work involves the replacement of glazing in existing window frames, damage to existing brick and masonry should be limited.

Q3. Could you please clarify the required films F1 and F2 on the window schedule?

A3. Both F1 and F2 are security films to be applied to windows at the ground level. F1 to be a translucent security film, and F2 is a clear security film to be an option where clear glazing is preferred.

Q4. The outer lite could be clear glass, with frosted film applied to Surface #4. Translucent security film (F1) to be applied in-place of frosted film where indicated in window schedule.

A4. Revised IGU-01 to be clear glass with frosted film or translucent security film where indicated in window schedule.

Refer to Specification 08 80 00 Glazing.

Q5. The attached asbestos report shows that Caulking Asbestos Not Sampled, please clarify if any asbestos in the caulking involved.

A5. Project-specific DSS report to be issued as a future addendum.

Should you have any questions regarding this addendum send via the event message board or contact Max Parker by email at Max.Parker@toronto.ca.

Suppliers must acknowledge receipt of all addenda in the space provided on Part 4 – Submission Form as per Part 1 Tender Process, Section 1 RFT Specific Process and Submission Instructions, Item 1.7 – Addenda, of the Tender document. All other aspects of the Tender remain the same.

Yours truly,

Theodoros Maicantis, Supervisor
Purchasing & Materials Management Division
