Each Addendum shall form an integral part of this RFT.
- .2 All Addenda will be posted through the City Online Procurement System. Although the City Online Procurement System may send notices to registered Suppliers of when Addenda are posted, the City is not responsible for any failure of such notice system or for notices not received by Suppliers.
- .3 Suppliers must check the City Online Procurement System frequently to inform themselves of any posted Addendum. Suppliers acknowledge that any information input directly by Suppliers into the interface of the City Online Procurement System (including information in the Pricing Form), which is the subject matter of an Addendum that is issued after such information has been input, will be automatically erased from the City Online Procurement System by the issuance of such Addenda, whether or not the Supplier's Bid has been fully completed or submitted. Suppliers shall be wholly responsible for checking and reviewing any posted Addenda and ensuring the completeness of the RFT (as amended) and their Bids (as impacted by such Addenda). The City is not responsible for any incomplete or incorrect Bids resulting from the issuance of an Addendum or a Supplier's failure to update its Bid in response to an Addendum.

However, the City shall have no obligation to respond to any or all Questions, and the City's determination as to whether or not it will respond to any Question shall be in the City's sole and absolute discretion. The onus is on each Supplier to confirm the City has received all correspondence from the Supplier.
- .3 Although it is the City's practice to make available to all Questions received as well as responses to such Questions: (i) for Questions of an administrative nature; or (ii) where a prospective Supplier's Question is identified as commercially confidential in nature and where, the City in its sole and absolute discretion deems the Question or response to be commercially confidential, the City may provide a response only to that Supplier. The City reserves the right to edit Questions for clarity and applicability to all Suppliers generally.
- .4 Pursuant to Section 1.7.1 (Addenda), responses to Questions prepared and circulated by the City are not RFT documents and do not amend the RFT, unless such responses form part of an Addendum.

1.9 Submission of Bids

.1 General

- .1 Subject to Section 1.9.3 (Bid Bond) with respect to the submission of the Bid Bond, Bids must be submitted through the City Online Procurement System prior to the Submission Deadline. Bids will be rejected as non-compliant if submitted by any other mechanism including, but not limited to, post, courier, fax, e-mail or orally, unless specifically requested by the City Procurement Contact through the City Online Procurement System.

- .2 The City Online Procurement System will not accept any Bids that are attempted to be submitted after the Submission Deadline. The expiry of the Submission Deadline and submission time of a Bid shall be determined by the City Online Procurement System.
- .3 It is the Supplier's sole responsibility to ensure its Bid is received by the Submission Deadline in accordance with the requirements of this RFT. The receipt of Bids can be delayed due to a number of factors including "internet traffic", file transfer size and transmission speed. The Supplier should allow sufficient time to download, complete and upload, as applicable, the submission forms comprising its Bid and any attachments.
- .4 A Bid will only be considered to be submitted once it has been received by the City in the City Online Procurement System. The time of such receipt is reflected by the time stamped acknowledgement of receipt generated by the City Online Procurement System, regardless of when the Bid was submitted by the Supplier. A Supplier may access such time stamped acknowledgement of receipt using the response history function of the City Online Procurement System to confirm the submission time of its Bid.
- .5 Suppliers must submit their Bids in the format presented, prescribed and compatible with the requirements of the RFT and the City Online Procurement System and must include all attachments required by the City Online Procurement System. Failure to fully complete the forms presented in this RFT or to include and submit the required attachments or separate documentation, as applicable, may result in the bid being rejected as non-compliant.
- .6 The forms, documents and other items outlined in this Section 1.9 (Submission of Bids) must be completed in their entirety and submitted in the format presented and prescribed by the City Online Procurement System and in accordance with the requirements of the RFT. Failure to so submit any such items may result in the Bid being rejected as non-compliant.
- .7 Any documents forming part of a Bid uploaded to the City Online Procurement System by the Supplier must:
 - not have a security password;
 - not be defective, corrupted or blank; and
 - be provided in Word or PDF format and be able to be opened and viewed by the City.

- .8 If there is any discrepancy whatsoever between:
- the information input directly by Suppliers into the interface of the City Online Procurement System and the electronic copy of any documentation uploaded to the City Online Procurement System, information input directly by Suppliers into the interface of the City Online Procurement System shall govern; or
 - any documentation physically delivered by Suppliers and the electronic version of such documentation uploaded to the City Online Procurement System, such electronic version shall govern.
- .9 All Suppliers should exercise extreme care when completing their Bid submissions, as failure to complete the Bid fully or to comply with the requirements of this RFT may cause the Bid to be rejected as non-compliant.

.2 Bid Submission Form

- .1 Suppliers shall complete and submit all information and respond to all items in the Bid submission form set out in Form A of Part 4 (Bid Submission Form) ("**Bid Submission Form**").
- .2 The Bid Submission Form contains confirmatory statements and declarations in respect of the City's Policies and Legislation.

.3 Bid Bond

- .1 In addition to the requirements set out in this RFT in respect of the submission of a Bid through the City Online Procurement System, each Supplier shall submit, a bid bond to secure the execution of the Contract by the Supplier ("**Bid Bond**").
- .2 The Bid Bond shall be:

- .1 a digital Bid Bond uploaded to the City Online Procurement System, which meets all of the following requirements:
- **include a method of authentication that confirms 'integrity of content'** - the digital Bid Bond shall include assurances that the document received is the true document executed and that the content has not been changed or altered. All instructions for accessing authentication shall be included with the uploaded digital Bid Bond;
 - **be verifiable and enforceable** - the digital Bid Bond shall include assurances that the document was duly executed by the parties identified and that it is enforceable at law. Such assurances require the use of a third party digital service provider;
 - **be digitally signed and sealed** – the digital Bid Bond shall contain digital signatures and valid digital seals.

A scanned copy of an original paper bid bond is not an acceptable digital Bid Bond. The Supplier and its surety company should refer to the e-bonding information on Surety Association of Canada's website which includes: a list of third parties that provide online surety digital bond services (the City does not endorse or promote any specific third party electronic surety bond service provider) and a checklist of industry requirements for e-bonding solutions which sets out the requirements for digital bonds;

- .3 The Bid Bond shall be in the amount and in the form provided in Form B of Part 4 (Bid Bond) or in another substantially similar format approved by the City prior to Bid submission; and
- .4 The Bid Bond shall be signed and sealed by the Supplier and by a licensed surety company, authorized to carry on business in the Province of Ontario, and having a place of business in Ontario.

- .5 Failure of a Supplier to submit a Bid Bond, in compliance with the requirements of Sections 1.9.3.1 and 1.9.3.2 (Bid Bonds) shall result in the Bid being rejected as non-compliant.

.4 Experience and Qualifications Form:

- .1 Each Supplier shall complete and submit the Experience and Qualifications Form provided in **Form C of Part 4 (Experience and Qualifications Form)**. In submitting such form, the Supplier gives the City consent to contact the references therein to confirm the information therein. Failure to provide the required information listed on the Experience and Qualifications Form shall render the Bid non-compliant. If, in the City's sole and absolute discretion, the references do not confirm the Supplier's experience and qualifications as required by the RFT, the Bid will be declared non-compliant and will not be considered for acceptance.
- .2 The City reserves the right to verify whether Suppliers are relying upon past experience of an Affiliated Person including the nature of the corporate relationship and its relevance to the Project. If, in the City's sole and absolute discretion, it is determined that a Supplier is relying on an Affiliated Person's past experience and a transfer of the Affiliated Person's experience cannot be demonstrated as relevant to the Project then the Bid will be declared non-compliant and not be considered for acceptance.
- .3 The City reserves the right to verify past performance of the Supplier or its Affiliated Persons with the City's performance records on relevant City projects (including the City's agencies, boards, commissions and corporations).
- .4 The City reserves the right to verify a mandatory certification of qualifications submitted by a Supplier for itself or its Affiliated Persons with any relevant third-party certifying organization.

.5 List of Subcontractors Form

- .1 The Supplier shall download, complete, upload and submit the form provided in Form D of Part 4 (List of Subcontractors Form) indicating the Subcontractors it intends to employ to carry out each portion of the Work ("**Subcontractors**") indicated therein.
- .2 Suppliers must not include companies under suspension by the City on their list of Subcontractors.
- .3 Where union affiliation is required pursuant to the City's "Labour Trades Contractual Obligations in the Construction Industry" (more particularly

described in Form A of Part 4 (Bid Submission Form) (Labour Trades Contractual Obligations in The Construction Industry)) for the Work or any part thereof, the Contractor (and any Subcontractor performing any part of such Work) must be affiliated with the applicable collective bargaining agency and the Supplier shall submit proof of such affiliation of the Contractor and all applicable Subcontractors prior to an award of contract.

- .4 At no time should the maximum bid value percentage allowed for any individual Subcontractor exceed 50% of overall Bid value.

.6 Domestic Supply Chain Plan

- .1 Each Supplier shall complete and submit the form provided in Form E of Part 4 (Domestic Supply Chain Plan) and shall state the dollar value of each Major Good and/or service identified by the City and the proportion of the value that is:
- For goods, comprised of Ontario-Made Goods and Canadian-Made Goods; and
 - For services, comprised of Ontario Services and Canadian Services.
- .2 Each Supplier shall complete and submit the Domestic Supply Chain Plan Attestation provided in Form E of Part 4 (Domestic Supply Chain Plan).
- .3 Failure to provide the required information listed on the Domestic Supply Chain Plan and Attestation shall render the Bid non-compliant.

.7 Pricing Form

- .1 Each Supplier shall complete and submit the Pricing Form set out in Part 5 (PRICING FORM) according to the instructions contained in such form.
- .2 In completing the Pricing Form, Suppliers must take into account compliance with all of the requirements of the RFT, including Part 3 (DRAWINGS AND SPECIFICATIONS) and the terms of the Contract. The City will assume, in evaluating all Bids, that compliance with such requirements has been accounted for the in the completed Pricing Form.

.8 Other Mandatory Submission Requirements

- .1

1.10 Amendment of Bids

- .1 Prior to the Submission Deadline, a Supplier may amend its Bid at any time after submission of the Bid in the City Online Procurement System by using the revise response function in the City Online Procurement System. Bids will not be viewed by the City until after the Submission Deadline and a Supplier may amend its Bid one or more times if it so wishes prior to the Submission Deadline.
- .2 If a Supplier amends its Bid, the Supplier must resubmit the Bid using the revise response function in the City Online Procurement System. After resubmitting a Bid, the Supplier should check that the City Online Procurement System has generated a time stamp acknowledgment of such resubmission. If a Supplier commences the amendment of a Bid through the revise bid function in the City Online Procurement System, but fails or is unable to resubmit an amended Bid prior to the Submission Deadline through the use of such function, the most recently submitted version of the Bid as recorded in the response history function of the City Online Procurement System shall be considered to be the Supplier's submitted Bid, shall be irrevocable and binding in accordance with the provisions of the RFT, and may be accepted by the City in its sole and absolute discretion unless such Bid has been properly withdrawn in accordance with Section 1.11 (Withdrawal of Bids).

1.11 Withdrawal of Bids

- .1 A Bid may be withdrawn at any time prior to the Submission Deadline by delivering written notice of withdrawal to the Procurement Contact by means of the internal messaging function of the City Online Procurement System before the Submission Deadline.
- .2 For clarity, a Bid may only be withdrawn by delivering such notice to the Procurement Contact prior to the Submission Deadline and cannot be withdrawn by any other means. If a Supplier fails to properly withdraw a Bid, the Bid shall be considered to be the Supplier's submitted Bid, shall be irrevocable and binding in accordance with the provisions of the RFT, and may be accepted by the City in its sole and absolute discretion, notwithstanding such failure.
- .3 Any Bids that are properly withdrawn will not be examined or evaluated for the purpose of the RFT but shall be retained for the City's record retention purposes.

1.12 Bid Validity Period

- .1 Upon the Submission Deadline, each submitted Bid shall be irrevocable and binding on Suppliers for the period of time following the Submission

Deadline as set out in the RFT timetable in Section 1.5 (RFT Timetable) (**"Bid Validity Period"**).

- .2 In exceptional circumstances, prior to the expiration of the Bid Validity Period, the City may request Suppliers to extend the validity of their Bids and any accompanying Bid Bonds. The request and responses shall be made in writing by the Procurement Contact through the internal messaging function of the City Online Procurement System. A Supplier may refuse the City's request without rendering its Bid non-compliant. A Supplier granting the request shall not be required or permitted to modify its Bid.

SECTION 2 - EVALUATION, ACCEPTANCE AND EXECUTION

2.1 Evaluation

.1 Evaluation Process

- .1 The City will conduct the evaluation of Bids in the following three stages.

Stage 1: The Bids will be reviewed to determine whether they comply with all of the mandatory requirements of the RFT, including the requirements of Section 1.9 (Submission of Bids). Bids that are substantially incomplete or do not substantially comply with the requirements of this RFT will be excluded from consideration in Stage 2.

Stage 2: Compliant Bids will be ranked on the basis of the lowest submitted pricing of each Bid in accordance with the Pricing Form.

Stage 3: A 10% evaluation advantage will be given to the Bid with the highest proportion of Ontario-Made Goods and Ontario Services and Canadian-Made Goods and Canadian Services in its Domestic Supply Chain Plan. The evaluation of the Domestic Supply Chain Plan prioritizes Ontario-Made Goods and Ontario Services, followed by Canadian-Made Goods and Canadian Services ("Domestic Content").

To determine which Bid will receive the evaluation advantage, the following formula will apply:

Domestic Content % = (A + A + B / Bid Price) x 100, where

A= Value of Ontario-Made Goods and Ontario Services

B= Value of Canadian-Made Goods and Canadian Services

The 10% evaluation advantage is a notional 10% reduction in Bid price. The 10% reduction in Bid price is applied solely for evaluation and ranking purposes, including determining the Bid with the highest proportion of Domestic Content, and does not alter the Supplier's submitted Bid price or the final awarded Contract price.

In the event that two (2) or more Bids have the identical total proportion of Domestic Content, the 10% evaluation advantage will be given to the bid price of all such Bids.

- .2 Subject to its reserved rights set out in this Part, the City may at any time and from time to time, in its sole and absolute discretion, revisit, revise, confirm or adjust the evaluations of a Bid at any time during the RFT process.

.2 Tied Bids

In the event that the City receives two (2) or more Bids identical in price, following the application of the 10% evaluation advantage set out in Part 1, Section 2.1.1 of this RFT, the City reserves the right to select one of such Bids as set out in the Tied Bid procedure under the Procurement Policy of the City's Policies and Legislation. The Tied Bid procedure allows for the City to first consider whether any of the relevant Suppliers are an Indigenous, Black or Diverse Supplier or Social Enterprise as defined in the Social Procurement Policy to break the tie. If no such Supplier is an Indigenous, Black or Diverse Supplier or Social Enterprise, then the tie will be broken by way of coin toss or lottery.

.3 Materially Unbalanced or Abnormally Low Bids

- .1 A Bid is materially unbalanced if:
- it is based on prices which are significantly less than cost for some items and prices which are significantly overstated in relation to cost for other items; and
 - the City has determined that the Bid may not result in the lowest overall cost to the City even though it may be the lowest submitted Bid; or
 - it is so unbalanced as to be tantamount to allowing an advance payment.
- .2 A Bid is abnormally low if the pricing raises material concerns with the City as to the likelihood or capability of the Supplier to perform the Contract on the basis of the offered pricing.
- .3 If a materially unbalanced Bid or an abnormally low Bid is identified, the City may seek clarification from the Supplier, including a detailed price analysis of its pricing in relation to the subject matter of the Contract, the scope of Work, the estimated quantities, the schedule for the performance of the Work, the allocation of risks and responsibilities and any other requirements of RFT.
- .4 If after evaluation of the price analysis, the City determines that the Supplier has failed to demonstrate its capability to perform the Contract

on the basis of the offered pricing, or that the offered pricing may create a material risk to the City, the City may reject the Bid.

.4 Condition of Award - Attestation

As a condition of award, the Successful Supplier shall provide a signed Supplier Attestation confirming the Supplier's status in accordance with the definitions of suppliers set out in Part 1 Section 3.14.1 of the RFT (i.e. Canadian Supplier, Trade Partner Supplier or None of the Above). The Supplier Attestation shall be signed by an Authorized Signing Officer of the Supplier. The Supplier's failure to provide a signed Supplier Attestation shall constitute sufficient grounds for the City to rescind the award or terminate any resulting contract awarded to the Supplier.

The signed Supplier Attestation must be submitted within two (2) business days of request by the City of Toronto.

If the Attestation is not submitted within the required timeframe, the bid submission will receive no further consideration.

.5 Non-American Supplier Preference

3.6 City Materials

- .1 The RFT and all correspondence, data, plans, materials, drawings, specifications, reports, estimates, summaries, photographs, models and all other information and documentation in any form provided or made available to any Supplier or prospective Supplier by, or on behalf of, the City in connection with, or arising out of this RFT (collectively, the “**City Materials**”) and all intellectual property rights therein:

- .3 Suppliers are also advised that MFIPPA does provide protection for confidential and proprietary business information. For the purposes of the City's compliance with MFIPPA, Suppliers are advised to identify in their Bid Materials material any scientific, technical, commercial, proprietary or similar confidential information, the disclosure of which could cause them injury.
- .4 Each Supplier's name and total bid price may be made public. Bid Materials will, as necessary, be made available:
