Please refer to the above Request for Quotation (RFQ) document in your possession and be advised of the following:

QUESTIONS:

- 1- I have a question regarding the Room finish schedule and door finish schedules which mention on AN -2.0; A-4.0. We need to know a scope of works for the finishing (painting, flooring etc.) after demolition. I don't see a schedule.

Answer: As per the site walk through - floor and wall finishes are not in scope. Patch and repair finishes damaged during construction to match existing.

- 2- On the Finish Plan (A-4.0), the miscellaneous section includes a WP-1 specification. However, the plan and elevations do not designate any walls for this product. Please confirm whether WP-1 is intended to be installed.

Answer: No WP-1 in SOW

- 3- Additionally, the Sheet Notes A-4.0 indicate that all walls are to be painted, but there is no information related. Could you please clarify which walls or areas are to receive painting?

Answer: As per the site walk through - Patch and repair finishes damaged during construction to match existing.
