

**REQUEST FOR PROPOSAL
RFP 2026-096-AC ADDENDUM #2**

Supply, Delivery, and Installation of Champlain College North Windows & Doors

October 9, 2026

This Addenda shall become part of the Request for Proposal (RFP) documents. The information contained in the addendum supersedes and amends the RFP documents and previous addenda, and Bidders are solely responsible to ensure they have received, and that their Proposal incorporates, all addenda issued prior to RFP closing, and all costs resulting from such addenda.

- 1. Question:** Regarding item 3. of Addendum #1, clarify further that if work is not completed by August 15, 2027, that remainder of work shall be finished in the same time frame in 2028 (April to August 2028).
Response: *The remainder of work can be finished in the same timeframe in 2028 (April to August) at the discretion of Trent University.*
- 2. Question:** We were wondering if it would be possible to arrange a separate additional site meeting for scaffolding companies and/or other subcontractors who may need to review the site conditions in order to provide pricing. Please let us know if this can be accommodated.
Response: *Site meetings are acceptable with subcontractors from the exterior; however, notice is to be provided to Chris Pollard by email chrispollard@trentu.ca 24hrs in advance.*
- 3. Add:** Structural as-built drawings of Champlain College North Quad and photos of the rooftop access and roof anchors for bidders' reference.
This is to aid their pursuit of gantry type systems hung from building in parts of the project where necessary.
